More Racer Information

Tire size is determined by whatever is stamped on the tire.
ALL TRUCKS MUST USE DOT APPROVED TIRES

ABSOLUTELY NO SCOOPER TIRES, TRACTOR, FARM IMPLEMENT,
or PADDLE TIRES - - NO BLOWERS, NO DUNE BUGGIES - No Junk-
Your truck must be clean and look good. No obscene writing on the
trucks.

No aftermarket super chargers or turbo chargers allowed.
Gasoline Powered Vehicles Only.

No passengers allowed. Truck makes one run a night.

No second drivers for a truck. One truck=one driver.

Absolutely No one under 14 years old in the back pit area!

Per Night Pre Entry fee \$30 Add \$20 per class if not pre-entered
Purse money - Awards to top 5 in each class!

Drivers: You must have a valid driver's license and wear a good helmet and seat belts. Anyone with alcohol on their breath or if we think you have been drinking or appear to be on any illegal substance you will be escorted from the property and / or be subject to arrest. Come sober, ready to have fun. You are also accountable for actions of your pit crew.

Note: Every truck must have a pullout hook or strong cable loop that we can hook at cable too when you get stuck. No Exceptions. Trucks must have good working brakes, and be safely operated. Race one at a time to see how far and fast they can go. Pit will be 36 inches deep at its deepest part.
